PROFESSIONAL EXPERIENCE

Infosys Ltd

Jan 2022 - June 2023

UI Designer & Application Developer Intern

Collaborated with a multidisciplinary team to create and implement modern and user-centric designs for web and mobile applications.

Translated wireframes and design concepts into pixel-perfect, responsive, and accessible front-end code.

Conducted user research, and usability testing, and gathered feedback to iterate and enhance the user experience..

Accenture Ltd

May 2022- Jul 2022

UI/UX Engineer

A team of developers and designers to build and maintain responsive web applications using modern frontend technologies such as HTML5, CSS3, and JavaScript

Integrated RESTful APIs and worked closely with backend developers to ensure seamless data flow and functionality.

Cognizant

April 2022- Oct 2022

Frontend Web Developer Intern

Developed prototypes and interactive mockups to effectively communicate design concepts and gather client feedback.

Implemented front-end development using HTML, CSS, and JavaScript to bring designs to life.
